## CP-TPP Certification of Origin Data Elements

**Important:** The use of Page 1 in this document is not mandatory to fulfill the Certification of Origin requirement, as the certification can be provided on any document. It is attached for your convenience as it includes all of the required data elements (listed below) to meet the CP-TPP Certification of Origin requirements.

If you choose not to use Page 1, please note the following nine (9) data elements are mandatory:

### 1. Importer, Exporter or Producer Certification of Origin

Indicate whether the certifier is the exporter, producer or importer

### 2. Certifier

Provide the certifier's name, address (including country), telephone number and e-mail address.

### 3. Exporter

Provide the exporter's name, address (including country), e-mail address and telephone number if different from the certifier. This information is not required if the producer is completing the certification of origin and does not know the identity of the exporter. The address of the exporter shall be the place of export of the good in a CPTPP country.

### 4. Producer

Provide the producer's name, address (including country), e-mail address and telephone number, if different from the certifier or exporter or, if there are multiple producers, state "Various" or provide a list of producers. A person that wishes for this information to remain confidential may state "Available upon request by the importing authorities". The address of a producer shall be the place of production of the good in a CPTPP country.

### 5. Importer

Provide, if known, the importer's name, address, e-mail address and telephone number. The address of the importer shall be in a TPP country.

### 6. Description and HS Tariff Classification of the Good

(a) Provide a description of the good and the HS tariff classification of the good to the 6-digit level. The description should be sufficient to relate it to the good covered by the certification; and

(b) If the certification of origin covers a single shipment of a good, indicate, if known, the invoice number related to the exportation.

### 7. Origin Criterion

Specify the rule of origin under which the good qualifies:

**A** - The good is wholly obtained or produced in one or more CPTPP country

**B** - The good is produced entirely in one or more CPTPP country

**C** - The good is produced entirely in one or more CPTPP Countries using non-originating materials and the good satisfies all applicable requirements of Annex 3-D (Product-Specific Rules of Origin).

### 8. Blanket Period

Include the period if the certification covers multiple shipments of identical goods for a specified period of up to 12 months. Note: if the certification is on a shipment specific document it cannot be kept on file and must accompany each shipment.

### 9. Authorized Signature and Date

The certification must be signed and dated by the certifier and accompanied by the following statement:

"I certify that the goods described in this document qualify as originating and the information contained in this document is true and accurate. I assume responsibility for proving such representations and agree to maintain and present upon request or to make available during a verification visit, documentation necessary to support this certification."
