

# How Will The CARM Client Portal Affect You?

Release 1 and Release 2 of the Carm Client Portal (CCP) will affect importers differently depending on the type of financial security they use. To determine how CCP will affect your business, please refer to the financial security option your company currently uses.

Financial Security Type	Broker Backed Security		GST Direct		Importer Direct	
Release Phases	RELEASE 1 May 25th, 2021	RELEASE 2 May 2024	RELEASE 1 May 25th, 2021	RELEASE 2 May 2024	RELEASE 1 May 25th, 2021	RELEASE 2 May 2024

Must be made in the CCP or by electronic / online options.</b>  Additional methods are available including *delegating to your customs broker	<b>Can be made in CCP.</b> Additional payment methods are available. (optional)	<b>MUST be paid in CCP or by electronic/online options.</b>  Additional payment methods are available including *delegating to your Customs Broker.
<b>Unsure of what financial security option your company is currently using?</b>	If PCB pays duty & tax on your behalf to CBSA, you're a <b>Broker Backed</b> participant.		If PCB is only paying duties on your behalf, and your company pays GST directly to the Canada Revenue Agency, you are likely a <b>GST Direct Security</b> participant.		If PCB only charges you a service fee, and your company pays duties and taxes directly to CBSA, your company is likely an <b>Importer Direct Security</b> participant.
